

The logo for urgent.ai is displayed within a yellow arrow-shaped banner pointing to the right. The banner is set against a dark grey background, which is part of a horizontal bar spanning the width of the slide. The background of the entire slide is a gradient of orange and red.

urgent.ai

Making Emailing Pleasant, Simple, and Efficient with Machine Learning

# Problems

- 100s of emails a day!
- Multiple Inboxes
- Must read through all emails to see important ones

# Solution

- A web platform where users sign into their email account(s)
- Inbox is organized according to the emails that require action

# How is this different than a Spam filter?

- Organization based on importance and urgency
- A Spam filters emails you never want to see, urgent.ai shows you what you want to see now

# Why choose urgent.ai?

- Aggregates your inbox(es)
- Allows **you** to take control of your inbox
- It simplifies the process
- Constantly learning and getting better
